

# “PASS THE SALT”

Matthew 5:13; Colossians 4:6

When I think of the many other seasons that have gone by, I think of what God has done in my service to you as the Team Coordinator. I know that God has called me to do his work through Northwest Christian Sports League. I want you to know that what you are doing is a very important job not only to the Sports League but to God and all those around you. Being a Team Mom / Manager is not an easy job:

God has called you to be the salt to his children (your team) “Pass the Salt” this is exactly what you are doing, and what God has told me to pass on to you. Do you know what God says about salt? He says that “You are the salt of the earth....” Can you think of scrambled eggs without salt? Or popcorn? Or any one of the thousands of foods we put salt on? Jesus said those who believed in Him were to be as salt. In the New Testament times, in addition to enhancing flavor, salt was frequently used as a preservative for foods. We need to ask ourselves this question, “What things can we do to enhance the flavor of, and preserve, the good things around us? As Team Moms / Managers of a team, you have a unique opportunity to pass God’s truth on to his children, and thus preserve it. In a day when much is being written about the disintegration of the family, we who believe that the family has been instituted by God can help to preserve it. In (Col. 4:6) we are reminded of our speech and how it should be seasoned with salt. Enhancing the flavor of the lives around us can be done in all sorts of ways; it can even be something as simple as being a Team Mom / Manager. My great thanks to all of you who have taken the opportunity to service.

Well done in the pursuit of “Passing the Salt.”

In His Service,

Phyllis Butler  
Team Coordinator
